Four Weeks In The Trenches

The War Story of a Violinist

by

FRITZ KREISLER

Fritz Kreisler, world-famous violinist, served as lieutenant in the present war until wounded by a Cossack's lance in a hand-to-hand fight before Lemburg. This book is the record of what he saw and experienced. It is the first account of the fighting by a man who actually fought, a story of hardship and heroism as graphic as it is thrilling.

16mo. Illustrated. \$1.00 net.

The author's share of the proceeds from this book goes to the Fund for Destitute Musicians.

You will hear him play. You will want to read his story. You can obtain it at
